

Robert Hinkel

Chief Operating Officer, Asia Pacific Region

Responsible for managing Husky's South East Asia assets including China and Indonesia operations, Asia Pacific exploration, new business development, commercial activity and the Liwan and Madura projects.

Career History and Key Accomplishments

Mr. Hinkel joined Husky in December, 2010, as Chief Operating Officer, Asia Pacific. Immediately prior to joining Husky, Mr. Hinkel held the position of Senior Vice President – Operations for Asia Pacific Exploration Company, a private exploration and production company. From 2003 to 2007, he was the President and CEO of Enventure Global Technology, a subsidiary of the Shell Group. Mr. Hinkel has more than 30 years of experience in the energy and mining industries.

From 1982 until 2003, Mr. Hinkel was employed by Unocal Corporation holding positions including Senior Vice President/General Manager of Unocal Indonesia; President and CEO of Molycorp, the company's mining and minerals subsidiary; and General Manager of Corporate Procurement and Logistics. During his tenure in Indonesia, the company drilled over 70 deep water wells, made four major discoveries and achieved an all-time high for net production exceeding 100,000 barrels of oil equivalent per day.

Mr. Hinkel has published articles and papers on the topics of Arctic drilling, commercialization of new technology, contractor safety management, and continuous operational improvement. Mr. Hinkel started his career in the energy industry working for Imco Services, the drilling fluids subsidiary of Halliburton Company.

Education

Mr. Hinkel holds a Bachelor of Science Degree in Petroleum Engineering (magna cum laude) from the University of Texas at Austin where he serves on several advisory boards and committees. He also earned an MBA in International Management from Thunderbird University in Phoenix, Arizona.

He is also an active member of the Society of Petroleum Engineers.
