Husky Energy Inc. (Husky), operator of the White Rose Field and satellite extensions, is seeking prequalification responses from interested companies/consortia/joint ventures for the supply of Site Security Services for the Argentia Graving Dock, located in Argentia, Newfoundland.

General Requirements

Interested companies/groups must be qualified to conduct the work as outlined in the Scope of Work and are asked to demonstrate their capabilities and experience via a formal response to the Prequalification Questionnaire. The Prequalification Questionnaire is largely based on Husky Operational Integrity Management System (HOIMS) and contains detailed questions regarding your company’s technical, HSE-Q and commercial capabilities.

To demonstrate capabilities and experience, interested companies/groups must submit documented evidence of delivering and supplying similar packages in strict accordance with relevant industry regulations, codes and standards and statutory authorities.

Scope of Work

Husky will require the services of qualified and experienced contractors for the provision of Site Security services at the Argentia Graving Dock.

The Contractor undertakes to support the site security agreement that consists of two parts:

1. Management activities that cover contract management/planning, facility management, response time and support expectations, strategy procedure development;

2. Supply of resources, specialist tools and materials required to carry out the Scope of Work.

The Contractor shall provide site security services, which includes, but is not limited to:

- 24/7 Security.
  - Contractor shall provide 24/7 security personnel (security trailer supplied by others) to control traffic to and from site, coordinate emergency services and general security of the site and surrounding area.

Husky strongly supports providing opportunities to Canadian and, in particular Newfoundland and Labrador companies and individuals, on a commercially competitive basis. Pre-qualified companies will be required to complete a Canada/Newfoundland and Labrador Benefits Questionnaire at the bid stage. Husky also encourages the participation of members of designated groups (women; Aboriginal peoples; persons with disabilities; and members of visible minorities) and corporations or cooperatives owned by them, in the supply of goods and services.
Please provide one (1) original and one (1) copy of your formal response no later than 3:00 P.M. NST, 10 February 2015 to the address as shown below:

Husky Energy Inc.  
351 Water Street  
St. John's, NL Canada
