

We're not just  
in your car,

we're in  
your community.

**Husky's Community Rebate Program**

## **We're not just in your car, we're in your community.**

*Husky's Community Rebate Program is a great way for your organization to raise funds. Since the program started, we've given out nearly \$700,000 to more than 2,000 community groups.*

Husky sends a rebate of 2% of the purchases\* your organization makes at Husky or Mohawk stations or Husky House Restaurants.

### **Who is eligible?**

- Non-profit community organizations with a formal structure.
- A "formal structure" means there is a designated chairman or treasurer who can receive and distribute funds in accordance with the organization's by-laws.
- All applications are subject to approval.
- Terms of eligibility are outlined in the application form, available at [www.myHusky.ca](http://www.myHusky.ca).

### **How does it work?**

We've made it as easy as possible to earn extra money:

- Upon approval, Husky issues magnetic swipe cards to distribute to your members.
- Your members must present their cards at the point of sale at any Husky or Mohawk station or Husky House Restaurant.
- Your organization receives a 2% rebate for their total purchases.
- Husky tracks the value of your members' purchases and calculates the appropriate rebate.
- Husky sends cheques quarterly to organizations who have earned a minimum \$50 in rebates.

\*All purchases are eligible, excluding lottery tickets, gift certificates and tobacco products.

For more information and to apply, visit [www.myHusky.ca](http://www.myHusky.ca).
